The follow the instructions that look like the following:

Off Campus Student Enrollment

- Obtain the unique number of your course from your instructor.
- If you have not already done so, obtain a UT EID from <http://www.utexas.edu/eid>.
If you give the EID system bogus information, you may not be able to retrieve your EID nor the password in the future. If your email address changes, you need to return to this URL and correct it.
NEVER obtain a second EID.
- Log into <http://quest.cns.utexas.edu/student>
You will be sent to the EID system for your EID and password, then redirected back to us. If the redirection doesn't work, type in the URL again: <http://quest.cns.utexas.edu/student>
- Click the arrow beside "Get Started"
- Make sure that the "Hello" in the upper right-hand corner has your name.
- Under the MY COURSES tab, choose "ENROLL IN NEW COURSE"
- Supply the unique number in the box and choose "LOOKUP COURSE INFO"
- Select the appropriate course (if more than one option) and choose "REQUEST ENROLLMENT"
- Your instructor has to approve your request before you can proceed in the course.
